NotePage, Inc. White Paper

Company Name: Alexander County Communications Center

Web Address: www.alexandercountync.gov/

Industry: Public Safety

Business / Organization Description:

Alexander County Communications Center is the main 911 Center for the entire county providing all emergency service dispatch services in the Taylorsville, North Carolina area.

How is PageGate Used:

PageGate handles both emergency and non emergency dispatch for fire, rescue, EMS and law enforcement personnel. PageGate is also used by Alexander County Communications Center for non emergency administrative messaging.

Customer Quote/Comments:

"The PageGate software has all but replaced older methods of radio type paging."

Greg Foster
