## NotePage, Inc. White Paper

**Company Name:** Arizona Department of Transportation

**Web Address:** [www.azdot.gov](http://www.azdot.gov)

**Industry:** Transportation / Government

### **Business / Organization Description:**

The Arizona Department of Transportation (ADOT) is a multimodal transportation agency serving one of the fastest-growing areas of the country. ADOT is responsible for planning, building and operating a complex highway system in addition to building and maintaining bridges and the Grand Canyon Airport. A major component of the organization is the Motor Vehicle Division, which provides title, registration and driver-license services to the general public throughout the state of Arizona.

### **How is PageGate Used:**

Arizona Department of Transportation uses PageGate to send field personnel alerts for any type of incident. Arizona Department of Transportation's field staff responds to alerts 24 hours a day 7 days a week.

PageGate makes life easier because Arizona Department of Transportation do not need to make a series of phone calls to individuals, they simply use groups within PageGate so that everyone in a specified area is notified when the need arises.

### **Customer Quote/Comments:**

"We've been using this for at least 10 years and have always been happy ."
