## **NotePage, Inc. White Paper**

**Company Name:** Basix Automation Integrators

**Web Address:** [www.basixai.com](http://www.basixai.com)

**Industry:** Building Automation / Construction

### **Business / Organization Description:**

Basix Automation is a Building Automation Contractor that's been in business for over 40 years.

### **How is PageGate Used:**

Basix Automation Integrators uses Pagegate to email alarm conditions that are output to an ASCII file from our Building Automation system software, and then sent to Smart Phone recipients via SMS message.

Basix Automation Integrators clients have come to rely on receiving alarm SMS messages in a timely fashion no matter where they are. This allows them to respond more quickly to emergency situations.

### **Customer Quote/Comments:**

*"PageGate has proven to be a reliable messaging method for years. It just works! "*
