NotePage, Inc. White Paper

Company Name: City of Garden City

Web Address: www.garden-city.org/

Industry: Municipalities / Public Safety / Law Enforcement

Business / Organization Description:

The City of Garden City is a local municipality in the State of Kansas. Garden City currently occupies 10.8 square miles in southwest Kansas and serves a population of 30,948 people.

How is PageGate Used:

The City of Garden City uses PageGate in a number of capacities. The City of Garden City's Fire Department uses PageGate to send notifications to fire fighters. While the City of Garden City's Police Department uses PageGate to send notifications to Command Staff.

Customer Quote/Comments:

"PageGate makes it easier and simpler to send to a group rather than picking the people. Also we have found that most people check their text messages much faster than email."

Clay Billings
