## **NotePage, Inc. White Paper**

**Company Name:** Isabella County Central Dispatch

**Web Address:** [www.isabellacounty.org](http://www.isabellacounty.org)

**Industry:** Public Safety

### **Business / Organization Description:**

Isabella County Central Dispatch is a public safety dispatch center located in Isabella County, Michigan. Isabella County Central Dispatch is an effective telecommunications link between citizens and emergency personnel. Isabella County Central Dispatch identifies emergency situations and promptly refers them to their appropriate emergency services.

### **How is PageGate Used:**

Isabella County Central Dispatch uses PageGate to automatically send text messages to various public safety team members. PageGate enables public safety first responders to have a visual reference to incidents they are being sent to. This also allows the use of other services, such as "Active 911" for public safety personnel.

### **Customer Quote/Comments:**

"We have had PageGate for 12 years, and it has been a great addition. I couldn't imagine not having it!"
