NotePage, Inc. White Paper

Company Name: Raleigh County 911

Web Address:

Industry: Public Safety / Municipality / Law Enforcement

Business / Organization Description:

The Raleigh County 911 dispatches all fire police and EMS calls.

How is PageGate Used:

Raleigh County 911 uses PageGate integrated with their Caliber computer aided dispatch software to send out pages and text messages to fire, police, and ems personnel responding to the scene of a 911 call.

The people responding to the scene have at their fingertips the caller information and location. PageGate also send messages to CadPage which provides the responder a map of where the call is.

Customer Quote/Comments:

"The support department is one of the best I have seen in 21 years of doing this. The staff is very knowledgeable with the software."
