## **NotePage, Inc. White Paper**

**Company Name:** Rixon Custom Equipment

**Web Address:** [www.rixonce.com](http://www.rixonce.com)

**Industry:** Building Automation

### **Business / Organization Description:**

Rixon Custom Equipment is located in Carol Stream, Illinois. Rixon CE operates in the Institutional Building and Construction Industry and primarily focus on Building Automation Systems.

### **How is PageGate Used:**

Rixon Custom Equipment stream alarms from a building automation system ( BAS ) out of a serial port and send them another serial port that PageGate picks up via the Serial Interface. Rixon Custom Equipment then uses PageGate to send Building Automation Alarms via text and email to building engineers to alert then of problems in the building. PageGate enables building engineers to be aware of problems before complaints come in from users.

### **Customer Quote/Comments:**

*"The system works flawlessly and is very reliable."*
