Company Name: Town of Fishers

Web Address: www.fishers.in.us

Industry: Municipalities

Business / Organization Description:

The Town of Fishers, Indiana is situated in the heart of the Midwest, Fishers is one of the fastest growing communities in the U.S. and is a recognized leader in good government and civic involvement.

How is PageGate Used/Customer Quote:

The Town of Fishers uses NotePager Net to contact the police, fire, public works and waste water departments. By centralizing communications they are able to coordinate response teams. In the event of a motor vehicle accident where there is a fuel spill the police are notified for traffic purposes, the public works is notified to manage clean up efforts and the fire department is alerted to potential hazards. In addition NotePager Net is used by the town administration to notify staff of meetings, training and scheduling changes.
