NotePage, Inc. White Paper

Company Name: Vodafone Fiji Limited
Web Address: www.vodafone.com
Industry: Telecom

Business / Organization Description:

Vodafone Group Plc is the world's leading mobile telecommunications company, providing a wide range of services including voice and data communications. In 30 years of operation, Vodafone has expanded its global footprint to around 30 countries, partner networks in over 50 more countries and fixed broadband operations in 17 markets.

Vodafone Fiji Limited is a 100% locally owned entity, of which is 51% owned by Amalgamated Telecommunications Holdings and 49% by Fiji National Provident Fund.

How is PageGate Used:

Vodafone Fiji Limited uses PageGate as in conjunction with SolarWinds monitoring software. PageGate is deployed in the event of an email server outage to ensure that text messages and alerts are still sent from SolarWinds.

Customer Quote/Comments:

"PageGate is an excellent software that worked right out of the box. Few simple configuration and we have been using it for 3 years without any issues."
